# SIGNATURE IRISH WELCOME DRINKS

---

## THE IRISH COFFEE<sup>(7)</sup> €9.50

*Our famous Irish Coffee, made with Teeling Small Batch Irish Whiskey, freshly brewed Coffee, Demerara Sugar, & lightly whipped fresh Cream.*

*“Irish coffee originated in Ireland, specifically at the Foynes Airbase in County Limerick in the 1940s. Legend has it that it was created by Joe Sheridan, a chef at the airbase's restaurant, to warm up American passengers who had just arrived on a cold winter night. He added whiskey to their coffee and topped it with cream, creating the now-iconic Irish coffee.”*

---

## THE BELFAST COFFEE<sup>(7)</sup> €9.90

*An Irish Classic in the making, featuring our variation with Poitin, stirred down with homemade cold brew coffee, Demerara sugar syrup, topped with lightly whipped fresh cream, and garnished with grated nutmeg.*

*“The Belfast Coffee is a variation of the classic Irish Coffee. While its exact origin is not as widely documented as the Irish Coffee, it is believed to have emerged in Belfast, Northern Ireland, as a local twist on the original recipe. Similar to Irish Coffee, Belfast Coffee typically includes whiskey, coffee, and cream, but it may feature slight variations in ingredients or preparation methods to suit local tastes.”*
